

Touring Tips

- **BEFORE YOU VISIT:** Call or check the maker's website for their current hours of operation.
- Call or register online to schedule a tour or group tasting. Individuals and small groups may stop in without notice, but groups of 10 or more require reservations in advance. Please visit individual destination websites for tour/tasting policies.
- Plan to visit only three or four sites per day. Each site has its own personality and specialties. Take time to enjoy them!
- Travel safely. Please designate or hire a driver who will not drink alcohol. Most sites offer non-alcoholic choices. You'll find a list of tour services inside this map.
- Do not bring your own beverages to any of our locations. Keep outside drinks and food in your vehicle.
- Bring a valid photo I.D. and money for tastings, tours and purchases.
- **ASK QUESTIONS!** If you aren't sure what to try, want advice on food pairings or have always wondered about the making process, just ask. We love talking about what we do!
- Try more than one sample. If you don't like the taste, you don't have to finish it. Ask to taste something else.
- Bring home your favorites. Each maker would be proud if you purchased their products. Wine, beer, cider and spirits make great gifts, too!
